REF. DM/24/3034. White Lodge. Ockley Lane Hassocks.

Dear Ms Ann Biggs,

With regards to to the application, (Revision of DM/23/2741)

I OBJECT , (in the strongest terms) because like the previous application it does NOT take into account the road situation.

Quite simply "Broadhill" sits up obviously on an unregistered (60)M.P.H. Very busy road. [REDACTED] to the main entrance to the CRAFT WORKSHOPS. The scene or way too many accidents. Which I did report to you you on a previous application. The construction is NOT an issue here. What is ,is that traffic north bound has not time to act and miss anyone leaving the entrance (AS AT PRESENT) this application wants to move to the edge of property i.e. to the South which compounds the problem, your and Police records clearly show issue.

The Council offices are closed presently. Otherwise I would send.

Recorded delivery first class signed for !

Thank you for your kind attention.
