

Planning Statement for small infill extension to 74 London Road East Grinstead RH19 1AB

Proposal

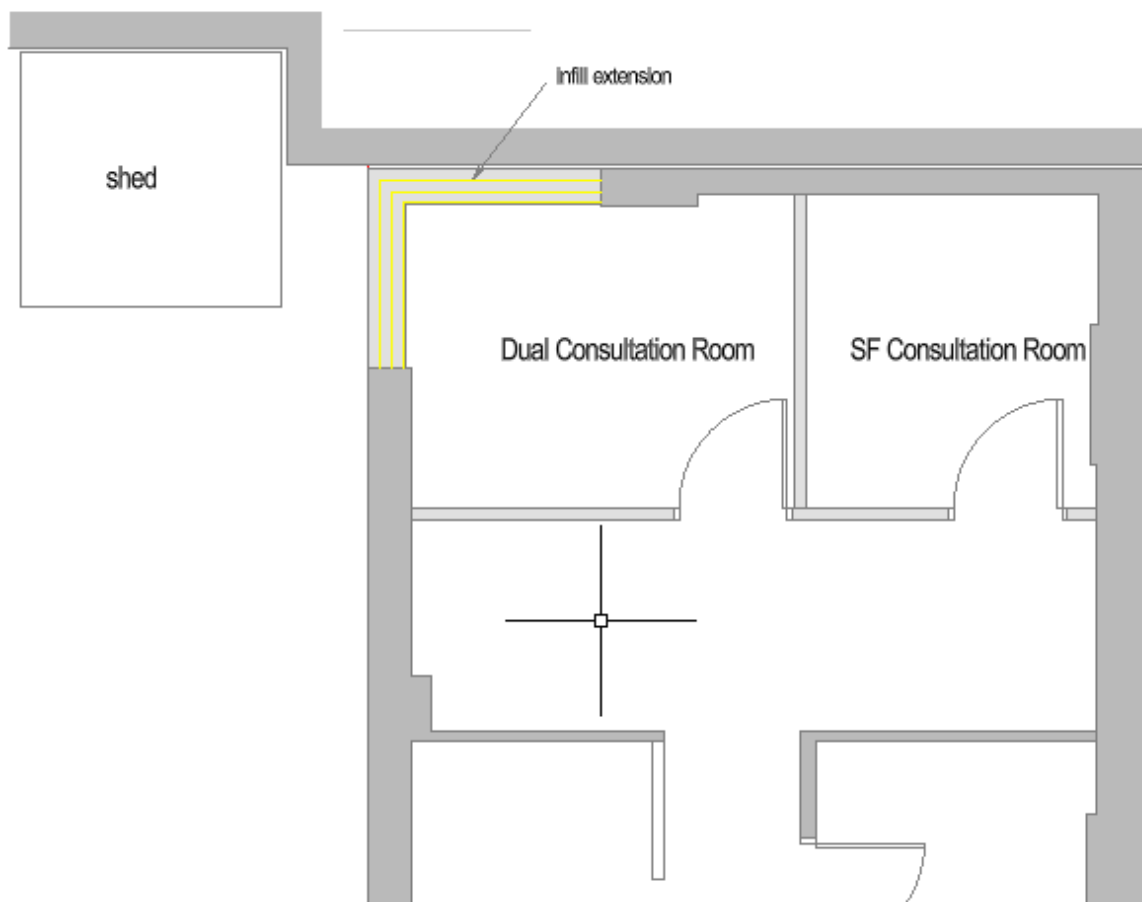

The proposal is for a small and simple infill extension to the rear of the building to provide additional internal floor space. Other proposals include relocation of air conditions units to the existing flat roof and blocking up of an existing side door

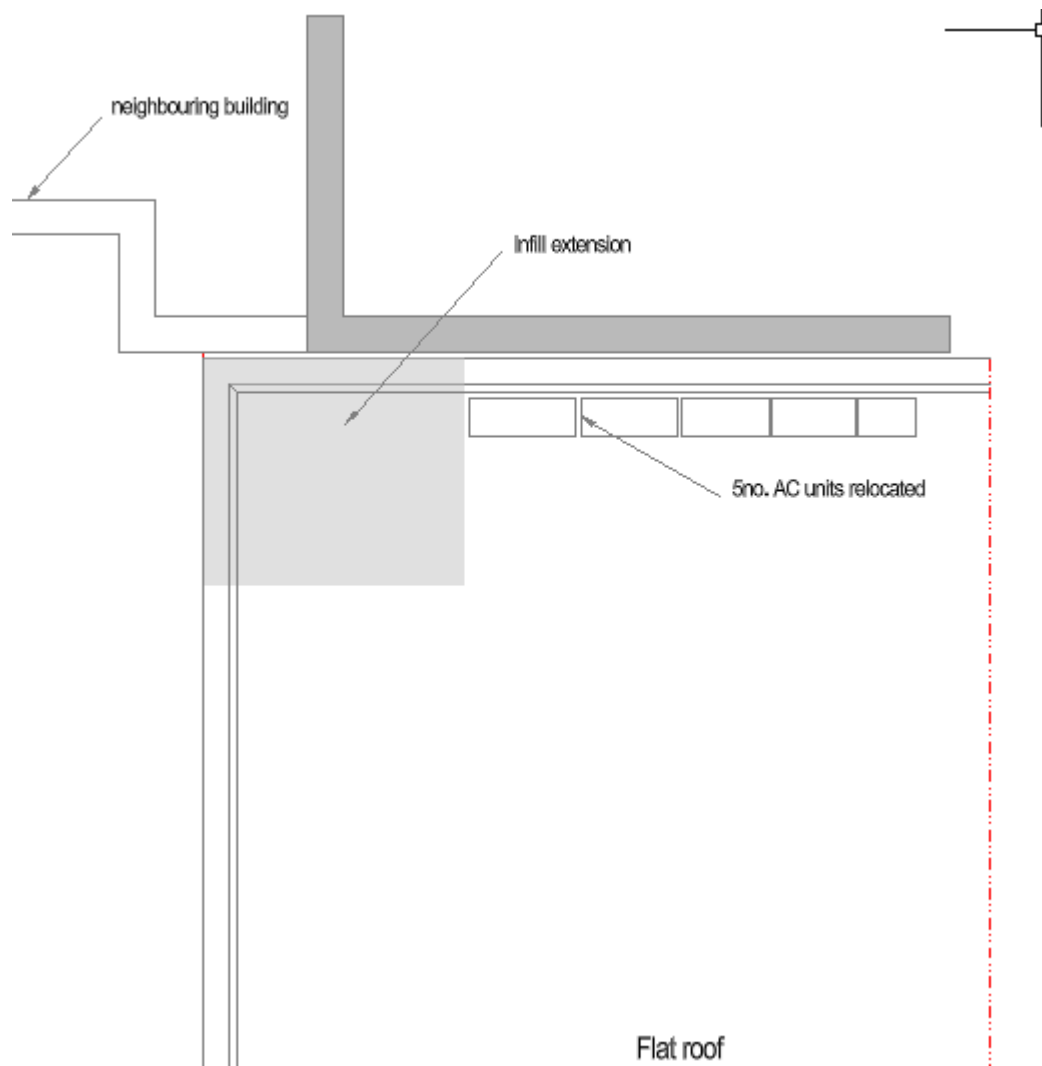

Proposed Rear (SW) Elevation 1:100

Proposed Side (SE) Elevation 1:100

Appearance/Scale

The proposed materials will match the existing and the scale in line with the existing property. The AC units are to be positioned discreetly next to the adjoining wall which is higher than the existing flat roof
