Aldi - Hayward Heath - Application Reference: DM/24/3077

Dear Officer,

Application Ref: DM/24/3077

I am writing to submit my comments in support of a new Aldi store in Haywards Heath.

This application would deliver a number of benefits to the local area, including:

- Greater affordable produce during a cost of living crisis, and for the long term
- Reduced travel times and improved access to high quality, affordable food for local people, reducing the need to travel to neighbouring towns
- visual improvements to a tatty and rundown area of Haywards Heath, which is visible to visitors arriving by train and even those who just pass through.

I hope that the council will act in the interests of local people by approving this application.

Kind regards
