Reasons for comment:	
Comments:	To Hume this may concern I would like to say this public house will be a great asset to this area . It was always a great pub and Chloe has my full support and confidence that she will make this public house amazing for all in this area and bring people from all over. I for one would love to see this great public house be brought back to life and be even better than before. So for that reason Chloe has all my support on this .
