| Comments: | I would like to object to the outline planning regarding coombes farm. To me this is a place of beauty which I walk daily for my health. This is a designated bridal foot path and each day I admire all the oak trees outlined on that piece of land. The thought of this changing along with all the extra traffic and lorries going through the village will completely loose its status of being a village and become another place like Burgess Hill. Building houses just to increase numbers with no thought to the people living here or the beautiful surroundings. Also I am very concerned with the extra houses what this could do to the existing flooding problem in Sayers Common. |

Kind regards
