Supporting statement for variation of planning permission

Ref: **DM/24/1445**

I wish to amend the hours of the restaurant Le Flamant as follows:

Fridays and Saturdays 11:00- 00:00

Mondays and Tuesdays 11:00-23:00

Xmas eve 11:00-00:00

New years eve 11:00-01:00

The reason for the variation application is so that we have the flexibility to open on Mondays and Tuesdays if we need to. We are not planning on it just yet but it is a consideration.

The Fridays and Saturdays later hours is to fall in line with other establishments on the high street and allow our guests a more relaxed experience on the busier nights of the week.

Xmas eve and NYE -for celebration evenings.

Please note that the use of the plant and machinery will not change. This includes the air-conditioning which will not be in use after 23:00 on any night.
