Hi again,

Sorry, also I think we/the applicant need to address whether or not the boundary wall to the western side of the public footpath through the churchyard, which I believe the applicant intends to build off, may be curtilage listed. I am not clear if the PROW is running through the churchyard, or is adjacent to it. Further information will be required on the current and historic land ownership, and on the date of the wall in question.

Thanks,

Emily

Hi Debbie

Just having a preliminary look at this one and I note that HE has not been consulted. This will be necessary as the adjacent church is II* listed.

In addition, there is no heritage statement, which would be a validation requirement. The applicant should refer to the relevant Historic England guidance, including GPA Note 3 'The Setting of Heritage Assets'.

Thanks,

Emily
