Scaynes Hill Haywards Heath West Sussex RH17 7NG

Dear Hamish,

The Flood Risk and Drainage Team have reviewed the information submitted in support of this application and can provide the following comments.

No information on the surface water drainage or foul drainage arrangements has been submitted.

The applicant should refer to the MSDC Flood Risk and Drainage Information Check List – Application Stage - <https://www.midsussex.gov.uk/planning-building/flood-risk-and-drainage-for-planning/>

We will then be able to provide further comment once received.

Receipt of the requested additional information does not mean further information will not be requested, nor does it guarantee that the Flood Risk and Drainage Team will not object to the development. Neither does it prevent the team from recommending a flood risk or drainage condition.

Best Wishes
