[REDACTED]

Regarding the proposed conversion of a barn to residential use at Slaugham Garden Nursery, Staplefield Road, Slaugham.

As a resident of the parish I wish to convey my opposition to the above mentioned planning application.

Reasons:-

- 1/ The parish has already fulfilled its Neighbourhood Plan.
- 2/ I believe the site where this barn sits has been subjected in the past to numerous disposals of toxic waste products that are impossible to remove from the depths of the soil in the area, therefore making it totally unsafe and unsuitable for residential use.
- 3/ It is in an AONB.

With regards
