

Application reference: DM/24/2366

Site Address: 50 Franklynn Road, Haywards Heath

Site Visit Date: 28/10/24

North – Rear extension appears to somewhat have already been implemented and in construction phase.

South – Mono pitch outbuilding in the same cladding to be used on the proposed development. Gable near the rear of the garden from the nearby church built of a brick exterior.

East – Neighbouring dwelling with High level side elevation windows facing the development proposal.

West – Box rear extensions previously used throughout the terrace which also uses a comparable cladding to the development proposal.

Streetscene – Two storey terraced dwellings with a range of exterior materials. The application dwelling features a contemporary appearance to the roadside.

Other -
