Comments Details

Commenter Type: Neighbour or general public

Stance: Customer made comments in support of the Planning Application

Reasons for comment:

Comments: This extension to the current building is invaluable in meeting the needs of users and especially users with disabilities. It will be a huge asset to the community and will enable the space to allow more activities to be held in the building.
I am in huge support of Park Centre and its refurbishment/ extension to the current building.

Kind regards
