Details of the pre-application advice received

Emily advised that, from a procedural point of view, the minor change in design, to omit the recessed side entrance door and window and replace them with a new sash window would, whilst not being considered contentious, require an application to vary Condition 2 (list of approved plans) of Planning Permission DM/25/0454. It would also need a separate application for a new Listed Building Consent which we are submitting in this application.

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

- ☐ Yes
- ☒ No

Please answer the following questions to determine which Certificate of Ownership you need to complete: A, B, C or D.
