

Drawing Specific Notes:

- The timber profiles and details are shared across the proposed new timber framed double glazed windows.
- All windows are proposed to be built of dimensionally stable softwood painted white.

40mm wide head and framing to all windows.
40mm wide top rail and stiles.
Weather and draught seal gaskets to all reveals.
34mm wide astragals (putty to putty line) internally and externally.
40mm wide bottom rail to all opening windows.
Ovolo profile window casements, astragals, and frames.
