

Proposed doors to rear elevation of extension

40mm wide head and  
framing to all windows.  
40mm wide top rail and  
sills.

Weather and draught seal  
gaskets to all reveals.

34mm wide astragals  
(putty to putty line)  
internally and externally.

- Drawing Specific Notes:
- The timber profiles and details are shared across the proposed new timber framed double glazed windows.
  - All windows are proposed to be built of dimensionally stable softwood painted white.
