Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	Green space around Haywards Heath has been built on more and more, especially in the last 20 years. We are losing too much green space. Wickham Fields is used by the public for walkers, dog walkers, runners, children and others. I often run there. The green space is also so important for wildlife: badgers, deer, foxes, rabbits. The expansion of Haywards Heath has had massive impacts on the services that people rely on: schools, GPs, leisure facilities and even water supplies. This town cannot cope with yet more homes.

Kind regards
