Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I live nearby and use these fields for general recreation all the time. I use it to walk for myself, with my family and with my dog. There are very few if any equivalent options nearby. This is a beautiful area and building on it would diminish the area for all the residents in the surrounding area. We already have capacity restraints in terms of local infrastructure and building here would exacerbate that. I would urge that this plan be rejected.

Kind regards
