| Reasons for comment: |                                                                                                                                                                                                                                                                                                                                                           |
| Comments:            | <p>The land is one of the few gateways to green fields and used by local people to walk in fresh air. There are few other walkways to the north of town and without alternative public space impact on health and wellbeing.</p> <p>Infrastructure, local amenities, roads and services are already strained and additional housing is not supported.</p> |

Kind regards
