Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I wish to object to the erection of houses on this piece of land which will cause traffic chaos with 2 schools and a busy Doctors Surgery on this stretch of road. When the children are going to school and coming out there is often only one line of traffic because of the cars on the road. It will mean an extra hundred cars or more congesting the road. This is

an area of outstanding beauty and more houses is taking away
our countryside.

Kind regards
