Good afternoon ms Davies

There is planning requests going in to build 260 dwelling and 1700 sqm employment floor space
Application numbers. DM/26/0303.

Copthorne village can not cope with this and planning seem to ignore this.

Please look at what we saw just last week in the planned field

I have a video.

260 houses

I was advised you could help.
Please stop them ruining our village.
