Address: Edenia House 4 Greenlands Place Burgess Hill

Comments Details

Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	We object to the tower and cabinets due to the impact this will have on an area of outstanding beauty, the local wildlife and the known pollution and health risks associated with 5G. We live in close proximity to the tower and are extremely concerned about the potential impact this could have on the environment.

Kind regards
