Reasons for comment:	
Comments:	I'm a regular competitor at Hickstead which is a world class facility we are so lucky to have in the SE England. Hundreds of us regularly stay on site for the bigger shows. We loved the pub but having extended facilities within walking distance would be a real bonus. We are so lucky to have Hickstead want to continue to invest not only on site, but 'next door'. It feels like this would be a great addition for the local community and users of the A23 and

local Services too. Everybody wins. I sincerely hope approval is granted.

Kind regards
