Comments Details

Commenter Type:	Neighbour or general public
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	
Comments:	Thank goodness someone is taking this on. This is such a fantastic venue and could be such jewel for the local community who will benefit hugely from the attention, energy and investment being proposed. I had the opportunity to look around the site under the old management and ownership and it was an absolute disgrace - it is strongly in need of development. This project must be supported!

Kind regards
