Comments Details

Commenter Type:	Neighbour or general public
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	
Comments:	It will be fantastic for the Castle Inn to be restored to its former glory. The area will receive a huge boost by having a pub that could become the hub of the community. The castle has been an eyesore on the landscape for many years, and people should be supported for having the for-site and the bravery to invest into buildings like these.

Kind regards
