Commenter Type:	Applicant
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	1. Ansty is a Category 4 village with virtually no facilities and a very limited bus service and totally unsuitable for a building plan of this size. 2. The land is greenfield and there are concerns for the environment 3.. The junction of Upton Road and Bolney Road is extremely dangerous with limited visibility and with a lot more vehicles it could be lethal. 4. The Bolney Road is used by a huge amount of cars and lorries

crossing west/east and vice versa and an increase in traffic will only add to this dangerous road.

5. This cramped development is totally unsuitable for the tiny village of Ansty.

Kind regards
