Comments Details

The proximity of the site to residential premises has potential to affect residential amenity by way of noise disturbance from construction, deliveries and from use. I therefore recommend conditions to protect residents accordingly:

Conditions:

Comments: Construction hours: Works of construction or demolition, including the use of plant and machinery, necessary for implementation of this consent shall be limited to the following times:

Monday – Friday 08:00 - 18:00 Hours
Saturday 09:00 - 13:00 Hours
Sundays and Bank/Public Holidays no work permitted

Reason: to protect the amenity of local residents.

Noise Management Plan - No unit of the development shall be occupied until a Noise Management Plan for that unit, including hours of operation, hours of deliveries/collections, full details of loading/unloading arrangements and any noise mitigation measures for noisy activities, has been submitted to and approved in writing by the Local Planning Authority. The Management Plan shall be implemented in full on occupation of each unit and complied with thereafter unless otherwise agreed in writing by the Local Planning Authority.

Reason: To protect the amenity of neighbouring residents and to accord with Policy DP29 of Mid Sussex District Plan.

Kind regards
