Reasons for comment:	
Comments:	I support this application to remove. I also support the recent earlier previous application the owners maintain this tree by height reduction as done before (permission to do so was granted). Trunk is under 1m from our shared garden property line. Roughly 20years old 14-16m tree planted by owners at least 2 or 3 previous to present owners. It makes no odds to me it be reduced or removed. Reduce or remove whatever the owners decide I support.

Kind regards
