Hi Danny,

Unfortunately I can't get sign off of this today now so have attached a further Extension of Time until next week. It'll be top of my list Monday morning so if you could agree to the Extension of Time I'd be grateful. The recommendation remains for approval.

Kind regards

Dear Andy,

Thank you for your email and for allowing the client time to formulate a plan for suitable mitigation.

The client agrees to the proposed conditions.

Kind regards,

Danny

Thanks Danny. The revisions appear acceptable. On the basis of conditions requiring these new trees to be planted in the next planting season and the standard condition relating to replacement planting within 5 years (which will cover both the existing trees and those to be planted) then I will seek to recommend the application for permission on the basis of the mitigation outweighing the harm identified.

I'll aim to get the decision issued tomorrow.

Kind regards
