Thank you for the below email and apologies for the delayed response. Planning permission was granted at the site for 'Alterations and extension to dental surgery premises and residential accommodation.' This was in 1996 under planning reference GR/301/96. I have been unable to find any conditions restricting permitted development rights. Although it does state that the parking area permitted by that consent should only be used for the parking and turning of vehicles.

Other than that permission I have not found any other restrictive conditions on subsequent permissions at the site. As such it is my informal opinion that the permitted development rights for a building within an E use class are intact.

The above represents my informal view only based on the information contained in your enquiry. Should you require a formal determination as to whether planning permission is required for your proposal then it is open to you to make an application to this authority for a Certificate of Lawful Development, under Section 192 of the Town and Country Planning Act 1990, as amended by the Planning and Compensation Act 1991.

Again apologies for the delay however I hope the above is of use.

The information contained in pre-planning advice may be subject to public disclosure under the Freedom of Information Act 2000. Unless the information contained is legally exempt from disclosure, we cannot guarantee that we will not provide the whole or part of this advice to a third party making a request for information about the subject matter.

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

- ☐ Yes
- ☒ No

Interest in the Land

Please state the applicant's interest in the land

- ☐ Owner
- ☒ Lessee
- ☐ Occupier
- ☐ Other

If Lessee or Occupier, please give details of the owner and state whether they have been informed in writing of this application
