REF: DM/25/1379
DATE: 22nd July 2025

Dear Sir/Madam

**Land At 147 To 149 College Lane Hurstpierpoint West Sussex
Variation of Condition 2 relating to DM/24/1139 to allow changes to plans for minor
amendments of the housetypes.**

I advise that your application DM/25/1379 was **Granted Permission** on **22nd July 2025**.

I enclose a copy of the Decision Notice in relation to the above application. If you are acting as an Agent please ensure that a copy is given to the applicant. **Please read the notes accompanying this decision notice carefully.**

Please also be advised that this permission does not constitute an approval under Building Regulations. Before you proceed with your proposal you should ensure that a Building Control application is not required, or has been submitted.

Yours faithfully

Ann Biggs
Assistant Director Planning and Sustainable Economy

TOWN AND COUNTRY PLANNING ACT 1990
TOWN AND COUNTRY PLANNING (DEVELOPMENT MANAGEMENT PROCEDURE)
(ENGLAND) ORDER 2015

PERMISSION

REFERENCE: DM/25/1379

DESCRIPTION: VARIATION OF CONDITION 2 RELATING TO DM/24/1139 TO ALLOW CHANGES TO PLANS FOR MINOR AMENDMENTS OF THE HOUSETYPES.

LOCATION: LAND AT 147 TO 149, COLLEGE LANE, HURSTPIERPOINT, WEST SUSSEX

DECISION DATE: 22 JUL 2025

CASE OFFICER: JOANNE FISHER - JOANNE.FISHER@MIDSUSSEX.GOV.UK

The Council hereby notify you that they **GRANT** planning permission for the above development to be carried out in accordance with the submitted application and plans and subject to compliance with the following conditions:-

Conditions

1. The development hereby permitted shall be begun before the 17th March 2028.
Reason: To comply with Section 91 of the Town and Country Planning Act 1990.
2. **Approved plans**
The development hereby permitted shall be carried out in accordance with the plans listed below under the heading "Plans Referred to in Consideration of this Application".

Reason: For the avoidance of doubt and in the interest of proper planning.

3. Pre-commencement conditions

Prior to the commencement of the development a Construction Environmental Management Plan (CEMP) shall be submitted to and approved in writing by the Local Planning Authority. The Construction Environmental Management Plan shall include amongst other matters details of: site set up during construction; temporary contractor buildings; plant and stacks of materials; provision for the temporary parking of contractor vehicles; the loading and unloading of vehicles associated with the implementation of this development; measures to control noise or vibration affecting nearby residents; artificial illumination; dust control measures; pollution incident control and site contact details in case of complaints.

The construction works shall thereafter be carried out at all times in accordance with the approved Construction Environmental Management Plan, unless any variations are otherwise first submitted to and approved in writing by the Local Planning Authority.

Reason: To avoid undue congestion of the site and consequent obstruction to access and in the interests to the amenities of the nearby residential amenities and to accord with Policies DP21 and DP26 of the Mid Sussex District Plan 2014 - 2031.

4. The development hereby permitted shall not commence unless and until details of the proposed foul and surface water drainage and means of disposal have been submitted to and approved in writing by the local planning authority in consultation with Southern Water. No building shall be occupied until all the approved drainage works have been carried out in accordance with the approved details. The details shall include a timetable for its implementation and a management and maintenance plan for the lifetime of the development which shall include arrangements for adoption by any public authority or statutory undertaker and any other arrangements to secure the operation of the scheme throughout its lifetime. Maintenance and management during the lifetime of the development should be in accordance with the approved details.

Reason: In the interests of protecting the natural environment and to accord with the NPPF requirements and Policy DP41 of the Mid Sussex District Plan 2014 - 2031.

5. No development shall take place unless and until details of the existing and proposed site levels have been submitted to and approved in writing by the Local Planning Authority. The development shall only be carried out in accordance with the approved details.

Reason: For the avoidance of doubt and to ensure that the development does not prejudice the appearance of the locality / amenities of adjacent residents and to accord with Policy DP26 of the District Plan 2014 - 2031.

6. Prior to the commencement of any part of the development a Non-licensed Precautionary Method Statement for bats shall be submitted to and approved in writing by the Local Planning Authority. This will contain precautionary mitigation measures and/or works to reduce potential impacts to bats during the construction phase.

The measures and/works shall be carried out strictly in accordance with the approved details and shall be retained in that manner thereafter.

Reason: To conserve protected and Priority species and allow the LPA to discharge its duties under the Conservation of Habitats and Species Regulations 2017 (as amended), the Wildlife & Countryside Act 1981 (as amended) and s40 of the NERC Act 2006 (as amended).

7. No development shall be carried out above ground level unless and until a Biodiversity Enhancement Strategy for protected and priority species prepared by a suitably qualified ecologist shall be submitted to and approved in writing by the Local Planning Authority.

The content of the Biodiversity Enhancement Strategy shall include the following:

- a) Purpose and conservation objectives for the proposed enhancement measures;
- b) detailed designs or product descriptions to achieve stated objectives;
- c) locations, orientations and heights of proposed enhancement measures by appropriate maps and plans (where relevant);
- d) persons responsible for implementing the enhancement measures; and
- e) details of initial aftercare and long-term maintenance (where relevant).

The works shall be implemented in accordance with the approved details shall be retained in that manner thereafter.

Reason: To enhance protected and Priority species & habitats and allow the LPA to discharge its duties under the NPPF 2021 and s40 of the NERC Act 2006 (as amended).

8. No development above ground slab level shall be carried out unless and until a schedule of materials and finishes to be used for facing materials of external walls, roofs of the proposed dwellings have been submitted to and approved by the Local Planning Authority. The works shall be carried out in accordance with the approved details.

Reason: To enable the Local Planning Authority to control the development in detail in the interests of amenity by endeavouring to achieve a building of visual quality and to accord with Policy DP26 of the Mid Sussex District Plan 2014 - 2031.

9. All mitigation and enhancement measures and/or works shall be carried out in accordance with the details contained in the Ecological Assessment Report Ref: DFA24045 (Derek Finnie Associates, April 2024), Biodiversity Net Gain Report Ref: DFA24046 (Derek Finnie Associates, April 2024) as already submitted with the planning application and agreed in principle with the local planning authority prior to determination.

This will include the appointment of an appropriately competent person e.g. an ecological clerk of works (ECoW) to provide on-site ecological expertise during construction. The appointed person shall undertake all activities, and works shall be carried out, in accordance with the approved details."

Reason: To conserve and enhance protected and Priority species and allow the LPA to discharge its duties under the Conservation of Habitats and Species Regulations 2017 (as amended), the Wildlife & Countryside Act 1981 as amended and s40 of the NERC Act 2006 (as amended).

10. **Construction Phase**

Works of construction or demolition, including the use of plant and machinery, necessary for implementation of this consent shall be limited to the following times:

- Monday to Friday: 08:00 - 18:00 Hours
- Saturday: 09:00 - 13:00 Hours
- Sundays and Bank/Public Holidays: no work permitted

Reason: To protect the amenity of local residents and to accord with Policy DP29 of the Mid Sussex District Plan 2014 - 2031.

11. Deliveries or collection of plant, equipment or materials for use during the demolition / construction phase shall be limited to the following times:

- Monday to Friday: 08:00 - 18:00 hrs
- Saturday: 09:00 - 13:00 hrs
- Sundays and Bank/Public Holidays: None permitted

Reason: To protect the amenity of local residents and to accord with Policy DP29 of the Mid Sussex District Plan 2014 - 2031.

12. The works shall be carried out in accordance with the Arboricultural Method Statement dated April 2024.

Reason: To ensure the retention and maintenance of trees and vegetation which is an important feature of the area and to accord with Policy DP37 of the Mid Sussex District Plan 2014 - 2031.

13. The development shall be carried out in accordance with the details set out in the Sustainability Statement (April 2024) and the Energy Statement (dated 2nd April 2024 by Arcadian Architectural Services Ltd) unless otherwise agreed in writing by the Local Planning Authority.

Reason: To achieve a high quality and sustainable development and to accord with Policies DP26 and DP39 of the Mid Sussex District Plan 2014 - 2031.

14. **Pre-occupation**

Prior to the occupation of any part of the development a lighting design scheme for biodiversity based on GN: 08/23 shall be submitted to and approved in writing by the local planning authority. The scheme shall identify those features on site that are particularly sensitive for bats and that are likely to cause disturbance along important routes used for foraging; and show how and where external lighting will be installed (through the provision of appropriate lighting contour plans and technical specifications) so that it can be clearly demonstrated that areas to be lit will not disturb or prevent bats using their territory.

All external lighting shall be installed in accordance with the specifications and locations set out in the scheme and maintained thereafter in accordance with the scheme. Under no circumstances should any other external lighting be installed without prior consent from the local planning authority."

Reason: To allow the LPA to discharge its duties under the Conservation of Habitats and Species Regulations 2017 (as amended), the Wildlife & Countryside Act 1981 as amended and s40 of the NERC Act 2006 (as amended).

15. No part of the development shall be first occupied until such time as the vehicular and pedestrian accesses serving the development have been constructed in accordance with plans and details to be submitted to and approved by the Local Planning Authority.

Reason: To secure satisfactory standards of access for the proposed development and to accord with Policy DP21 of the Mid Sussex District Plan 2014 - 2021.

16. No part of the development shall be first occupied until visibility splays have been provided at the site access onto College Lane, in accordance with the approved planning drawings. Once provided the splays shall thereafter be maintained and kept free of all obstructions over a height of 0.6 metres above adjoining carriageway level or as otherwise agreed.

Reason: In the interests of road safety and to accord with Policy DP21 of the Mid Sussex District Plan 2014 - 2021.

17. No part of the development shall be first occupied until the vehicle parking spaces have been constructed in accordance with plans and details submitted to and approved by the Local Planning Authority.

Reason: To provide adequate on-site car parking and turning space within the development and to accord with Policy DP21 of the Mid Sussex District Plan 2014 - 2021.

18. No part of the development shall be first occupied until covered and secure cycle parking spaces have been provided in accordance with plans and details submitted to and approved by the Local Planning Authority.

Reason: To provide alternative travel options to the use of the car in accordance with current sustainable transport policies and to accord with Policy DP21 of the Mid Sussex District Plan 2014 - 2021.

19. The development shall be carried out in accordance with the proposed landscaping plan (drwg CWLD-EW-CL-LA-2380-01) and the landscaping notes (drwg CWLD-EW-CL-LA-2380-01). The works shall be carried out prior to the occupation of any part of the development or in accordance with the programme agreed by the Local Planning Authority. Any trees or plants which, within a period of five years from the completion of development, die, are removed or become seriously damaged or diseased, shall be replaced in the next planting season with others of similar size and species, unless the Local Planning Authority gives written consent to any variation.

Reason: In the interests of visual amenity and of the environment of the development and to accord with Policy DP26 of the Mid Sussex District Plan 2014 - 2031.

20. Prior to the occupation of any dwelling, full details of a hard landscaping plan shall be submitted to and approved by the Local Planning Authority. These works shall be carried out as approved.

Reason: In the interests of visual amenity and of the environment of the development and to accord with Policy DP26 of the Mid Sussex District Plan 2014 - 2031.

Biodiversity Net Gain

1. This permission is considered to be one which **will require the approval of a biodiversity gain plan before development is begun** (which includes demolition) because none of the statutory exemptions or transitional arrangements are considered to apply.

Please see the information contained within the notes to applicants/agents set out below.

Informatives

1. In respect of condition 3 it would be expected that, amongst other things, within the CEMP there is a commitment to restrict hours of work activities, including demolition, site clearance, construction, deliveries, loading and unloading, to the following:

0800-1800 Monday to Friday
0900-1300 Saturdays
No work on Sundays and Bank Holidays.
2. It is possible that a sewer now deemed to be public could be crossing the development site. Therefore, should any sewer be found during construction works, an investigation of the sewer will be required to ascertain its ownership before any further works commence on site.
3. The applicant is advised to enter into a legal agreement with West Sussex County Council, as Highway Authority, to cover the off-site highway works. The applicant is requested to contact The Implementation Team Leader (01243 642105) to commence this process. The applicant is advised that it is an offence to undertake any works within the highway prior to the agreement being in place.
4. The proposed development will require formal address allocation. You are advised to contact the Council's Street Naming and Numbering Officer before work starts on site. Details of fees and developers advice can be found at www.midsussex.gov.uk/streetnaming or by phone on 01444 477175.
5. Your attention is drawn to the requirements of the Environmental Protection Act 1990 with regard to your duty of care not to cause the neighbours of the site a nuisance.

Accordingly, you are requested that:

- Hours of construction/demolition on site are restricted only to: Mondays to Fridays 0800 - 1800 hrs, Saturdays 0900 - 1300 hrs, No construction/demolition work on Sundays or Public Holidays.
- Measures shall be implemented to prevent dust generated on site from crossing the site boundary during the demolition/construction phase of the development.
- No burning of materials shall take place on site at any time.

If you require any further information on these issues, please contact Environmental Protection on 01444 477292.

6. You are advised that this planning permission requires compliance with a planning condition(s) **before development commences**. You are therefore advised to contact the case officer as soon as possible, or you can obtain further information from: <https://www.gov.uk/guidance/use-of-planning-conditions#discharging-and-modifying-conditions> (Fee of £145 will be payable per request). If you carry out works prior to a pre-development condition being discharged then a lawful start will not have been made and you will be liable to enforcement action.
7. In accordance with Article 35 of the Town and Country Planning (Development Management Procedure) (England) Order 2015, the Local Planning Authority has acted positively and proactively in determining this application by identifying matters of concern within the application (as originally submitted) and negotiating, with the Applicant, acceptable amendments to the proposal to address those concerns. As a result, the Local Planning Authority has been able to grant planning permission for an acceptable proposal, in accordance with the presumption in favour of sustainable development, as set out within the National Planning Policy Framework.

Human Rights Implications

The planning application has been considered in light of statute and case law and any interference with an individual's human rights is considered to be proportionate to the aims sought to be realised.

Plans Referred to in Consideration of this Application

The following plans and documents were considered when making the above decision:

Plan Type	Reference	Version	Submitted Date
Proposed Site Plan	01497 PL01	A	06.06.2025
Proposed Floor and Elevations Plan	01497 PL02	A	29.05.2025
Proposed Floor and Elevations Plan	01497 PL03	A	29.05.2025
Proposed Floor and Elevations Plan	01497 PL04	A	29.05.2025
Street Scene	01497 PL05	A	29.05.2025
Location Plan	01497 PL06	B	06.06.2025
Landscaping Details	CWLD-EW-CL-LA-2380-01		07.05.2024
Landscaping Details	CWLD-EW-CL-LA-2380-01		08.05.2024

Ann Biggs
Assistant Director Planning and Sustainable Economy

PECNDZ

APPEALS TO THE SECRETARY OF STATE

Notes for Applicants

If you are aggrieved by the decision of your Local Planning Authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under Section 78 of the Town and Country Planning Act 1990.

If you want to appeal against your local planning authority's decision then you must do so within 6 months of the date of this notice;

However, if

- (i) this is a decision on a planning application relating to the same or substantially the same land and development as is already the subject of an enforcement notice, and you want to appeal against your local planning authority's decision on your application, then you must do so within 28 days of the date of this notice; or
- (ii) an enforcement notice is subsequently served relating to the same or substantially the same land and development as in your application and if you want to appeal against your local planning authority's decision on your application, then you must do so within:
 - 28 days of the date of service of the enforcement notice, or
 - within 6 months (12 weeks in the case of a householder appeal) of the date of this notice, whichever period expires earlier.

Appeals can be made online at: <https://www.gov.uk/planning-inspectorate>.

If you are unable to access the online appeal form, please contact the Planning Inspectorate to obtain a paper copy of the appeal form on tel: 0303 444 5000.

The Secretary of State can allow a longer period for giving notice of an appeal but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to the Secretary of State that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.

If you intend to submit an appeal that you would like examined by inquiry then you must notify the Local Planning Authority and Planning Inspectorate (inquiryappeals@planninginspectorate.gov.uk) at least 10 days before submitting the appeal. [Further details are on GOV.uk](#).

Biodiversity Net Gain

The effect of paragraph 13 of Schedule 7A to the Town and Country Planning Act 1990 is that planning permission granted for the development of land in England is deemed to have been granted subject to the condition “(the biodiversity gain condition)” that development may not begin unless:

- (a) a Biodiversity Gain Plan has been submitted to the planning authority, and
- (b) the planning authority has approved the plan.

The planning authority, for the purposes of determining whether to approve a Biodiversity Gain Plan if one is required in respect of this permission would be Mid Sussex District Council.

There are statutory exemptions and transitional arrangements which mean that the biodiversity gain condition does not always apply.

Statutory exemptions and transitional arrangements in respect of the biodiversity gain condition that apply in this instance

Development of a biodiversity gain site, meaning development which is undertaken solely or mainly for the purpose of fulfilling, in whole or in part, the Biodiversity Gain Planning condition which applies in relation to another development, (no account is to be taken of any facility for the public to access or to use the site for educational or recreational purposes, if that access or use is permitted without the payment of a fee).

Irreplaceable habitat

If the onsite habitat includes irreplaceable habitat (within the meaning of the Biodiversity Gain Requirements (Irreplaceable Habitat) Regulations 2024) there are additional requirements for the content and approval of Biodiversity Gain Plans.

The Biodiversity Gain Plan must include, in addition to information about steps taken or to be taken to minimise any adverse effect of the development on the habitat, information on arrangements for compensation for any impact the development has on the biodiversity of the replaceable habitat.

The planning authority can only approve a Biodiversity Gain Plan if satisfied that the adverse effect of the development on the biodiversity of the irreplaceable habitat is minimised and appropriate arrangements have been made for the purpose of compensating for any impact which do not include the use of biodiversity credits.

The effect of section 73D of the Town and Country Planning Act 1990

If planning permission is granted on an application made under section 73 of the Town and Country Planning Act 1990 (application to develop land without compliance with conditions previously attached) and a Biodiversity Gain Plan was approved in relation to the previous planning permission ("the earlier Biodiversity Gain Plan") there are circumstances when the earlier Biodiversity Gain Plan is regarded as approved for the purpose of discharging the biodiversity gain condition subject to which the section 73 planning permission is granted.

Those circumstances are that the conditions subject to which the section 73 permission is granted:

- i) do not affect the post-development value of the onsite habitat as specified in the earlier Biodiversity Gain Plan, and
- ii) in the case of planning permission for a development where all or any part of the onsite habitat is irreplaceable habitat the conditions do not change the effect of the development on the biodiversity of that onsite habitat (including any arrangements made to compensate for any such effect) as specified in the earlier Biodiversity Gain Plan.

The effect of Paragraph 19 of Schedule 7A to the Town and Country Planning Act 1990

If the permission which has been granted has the effect of requiring or permitting the development to proceed in phases, the modifications in respect of the biodiversity gain condition which are set out in Part 2 of the Biodiversity Gain (Town and Country Planning) (Modifications and Amendments) (England) Regulations 2024 apply.

In summary: Biodiversity gain plans are required to be submitted to, and approved by, the planning authority before development may be begun (the overall plan), and before each phase of development may be begun (phase plans).

Purchase Notices

If either the Local Planning Authority or Secretary of States refuses permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances the owner may serve a purchase notice on the District Council. This notice will require the Council to purchase their interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.
