Subject: DM/26/1760 - Foxhole Farm, Bolney - further representation on the revised affordable housing scheme of 24 September 2026
Attachments: Further representation - DM-26-1760 revised affordable housing scheme (5Oct2026) as submitted.docx

Dear Ms Fisher,

I attach a further representation on DM/26/1760. It responds only to the applicant's email of 24 September 2026 and the revised Site Layout (CALA250729 SL01 Rev A2) published with it. As at 5 October 2026 the register gives 24 October 2026 as the consultation date for this application.

In short: the revised tenure split meets the point I made on 4 September and I no longer pursue it. The revised scheme still contains no M4(3) Wheelchair Accessible Units.

Five practical requests:

1. The register records that the Housing Enabling Team was reconsulted on 3 October 2026. Please pass this representation to the officer before he responds.
2. Please place on the register the email recording the Housing Officer's informal agreement, which the applicant's email of 24 September lists as an attachment but which has not been published. So far as it is needed, I make that request under the Environmental Information Regulations 2004, and I have copied this email to foi@midsussex.gov.uk for that purpose.
3. Section 5 of the representation concerns DM/26/1961. Please place a copy on that file as well.
4. Please confirm that DM/26/1961 will not be determined until the amended drawings the applicant has said it will submit have been lodged and published.
5. Please confirm receipt of this representation, and that it will be placed on the register for DM/26/1760.

Yours sincerely,
