Subject: DM/24/1139 - Land at 147-149 College Lane, Hurstpierpoint- Objection

[REDACTED]

As per your advice to submit a submission via this email address (the submission deadline of 30 September 2026 having been extended by you by two days to 2 October 2026, I wish to register my objection to the proposal to add a further seven (7) dwellings as per the above reference.

Provision of yet more dwellings along College Lane (there are of course other, current applications under review of the County Plan in this area) will inevitably impact yet further the traffic congestion already existing along this very narrow thoroughfare.

Moreover, it will serve only to impact further on local services such as the station at Hassocks, the school in Hurstpierpoint, as well as resultant watercourse issues, wildlife, and the general, ancient character and heritage of Hurstpierpoint and its surrounds.

I strongly object to to these new properties being given the go-ahead, and urge they are refused.

yours,
