DM/25/1787

Ash Tree - Reduce by up to 3 metres and no further than previous pruning points.
Gill Warrick**

Permission is sought for the works as described.

The tree is located in the rear garden. It is a mature specimen, with visibility limited to views over roof tops. It has previously been reduced.

The application has been modified slightly, to more accurately reflect the works and avoid excessive works.

Works will repeat those previously carried out and will increase light to the garden and rear windows.

Permission is recommended.

Decision: Permission
