Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	It's an area of outstanding natural beauty. Once it's gone it will never ever be replaced. This should be a very good reason to not cover it in concrete. They have been holding events there for years and have managed. They just need to limit the numbers attending. Why should anyone be allowed to ruin the countryside just for entertainment?

Kind regards
