[You don't often get email from [REDACTED] learn why this is important at <https://aka.ms/LearnAboutSenderIdentification>]

I am objecting to the planning application to 40 dwellings at the back of Lion Lane , Turners Hill.
The land is a haven for wildlife and domestic animals.
Many children use it for a safe way to school, away from the congestion of traffic in a village that is more than overwhelmed at commuter time.
The land directly behind Lion Lane has 3 prolific apple trees which are harvested by many villagers.
No only that but the largest tree is home to a large variety of birds and is a safe place and feeding place for them This village cannot take any more families unless there is improved infer structure.
I E Doctor surgery and school to begin with. Potential of another 80 children and 80 cars.
We are a village and wish to remain as one, not a town.
If we wanted to live in a town we would not be living here, why do we have fight for our village.
I say NO to more houses
