Bike Sheds

Our selection of bike sheds are of high quality and great value. Our bike sheds are pressure treated, guaranteed for up to 10 years and are some of the highest-specification bike sheds on the market. Our sheds are truly built to last and also feature easy to build panel system, internally beaded windows for added security and all of our bike sheds are grown using high quality slow-grown Spruce and NOT cheap pine sold by some competitors. Our bike sheds provide reliable protection and help keep your outdoor space neat and organised.
