Hello, Hamish Evans,

The reference number of DM/25/0589

Mr.Kevin Hayes, the occupier of (31A Valebridge Road, Burgess Hill RH15 0RA)

This is my strong, unquestionable protest against the proposal to install a communication tower. The erection of this unnecessary and detrimental structure poses serious health risks to the community and the surrounding environment. The high-frequency waves emitted from such a tower have proven harmful to local wildlife and plant life, compromising the natural balance of our ecosystem.

I strongly urge you to reconsider this proposal, considering these significant concerns.

Thank you, Hamish Evans.
