Customer Details

Address: Wickham Corner, College Lane, Hurstpierpoint Hassocks

Comments Details

Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I object to the proposal for 6 houses. College Lane is wholly unsuitable for further development. Any additional traffic will cause further congestion in an area that is already unable to cope with the traffic volumes. Additional traffic will increase the dangers to those using the lane both on foot and bicycles. There is no footpath provision for foot users/ dog walkers. Access to the properties in Hurst Wickham is by foot, often from quite a distance towards the Hassocks end of College

Lane.

In addition, the existence of a green field gap between housing areas does not justify fill in, eroding precious countryside and making College Lane more of a linear street of more and more large properties, rather than the small local community housing of which the conservation area was made.

Kind regards
