MID SUSSEX DISTRICT COUNCIL

DM/26/1548

**Turret Court, London Road, East Grinstead, West Sussex, RH19 1QA, ,
(T1) Oak tree - crown reduce by 2m.
Mr Duncan Stokes**

Permission is sought for the works as described.

This application has been amended to the reduction of the oak only, as removal of a dead limb from the sycamore does not require consent.

Turret Court is a corner property within a development of flats and apartments. The oak fronts Buckhurst Way. Works to the oak relate to secondary growth only and will reduce overhang and shading, and will not impact unduly on the long term health or amenity value of the tree.

A representation in support of this application has been received.

Permission is recommended.

Decision: Permission
