Comments Details

Commenter Type:	Business or other organisation
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	As the owner of Toybox Day Nursery I object to this housing development. We are directly opposite the proposed development. We have 120 families coming and going each week and West Hoathly Road is damaged and dangerous enough as it is with out construction traffic and then 44 families coming and going to the new houses. The strain on the GP surgeries in East Grinstead is already at breaking point so more people in the area needing medical services is just dangerous. We have been without water for 6 days

this month already and adding more houses will only exasperate the already dia situation within SEWater.

When we moved Toybox to this site 18 years ago we did so as we were surrounded by green areas for our children. In that time we have had houses built at the bottom of our garden meaning our view from that side of the building and garden has become brick, we do not want the other main view from our building to go from a green field with sheep in it to yet more bricks.

Kind regards
