Reasons for comment:	
Comments:	It's great to see Burgess Hill becoming a great centre of sport. The growth of the town needs it to complemented with enough opportunities to play support to enhance health and wellbeing being in the community. Padel is a fast growing sport for all ages 6-80 so can benefit all. The introduction of further courts will also mean competition to allow competitive pricing in the area and therefore again making it inclusive ... not just for the rich!

The site is perfect as it's part of the industrial site - where development of brown field sites provides a more cost effective way / environmental friendly approach using existing roads and parking facilities.

Kind regards
