Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	Further to my letter of 14/4/25. I would like to add my support to the detailed representations made by my neighbours in South Danworth Cottage and Longfield Cottages. I note that my earlier suggestion of locating the barn to the north of the existing site where it would have less visual impact does not appear to have been considered. I am also concerned that the application seems to be a means of expanding the existing business park as opposed to an agricultural development. This appears to be

evidenced by the recent erection of signage advertising the availability of office space to let.
