

Dear Ms Szollosi

Further to your letter dated 26th November 2025, re the application DM?25/2793, I am writing to say that my comments still stand as per my previous letter dated 16th November.

I have copied and pasted them into this email:

*.I have no objection to this building being used for this purpose, however I do worry about the noise. All the gyms I have ever visited, have loud and annoying music and would hate hearing this constantly in my house and back garden. This building backs onto my back garden. I assume only the inside of this building will be used and not the garden?*

I have tried to use the QR code on the letter but for some reason, this is not working for me hence this email.

My address is Gate House, 12 Windsor Close, Haywards Heath, RH16 4QR

Kind Regards
