Dear Chris,

I refer to the above planning application currently pending with the LPA. Noting that a decision is due on the application this week, but also that the corresponding Listed Building Consent application DM/25/1390 remains under consideration and I am still awaiting the comments of our Conservation Officer, it would seem prudent to determine both applications at the same time. As such I have attached an Extension of Time request for the planning application so that the determination period matches that of the LBC application (25th July).

I'd be grateful for your agreement to this and will confirm our recommendation on both applications in the near future.

Thanks in advance.

Kind regards
