

Groundwater Monitoring

The standpipe installed on 18/19 September 2025 has been checked periodically through the winter to check for any evidence of water. The table below summarises the work undertaken and the results which show no water in the standpipe at the bottom during the period of testing.

Date	Time	Test Results
18/10/2025	13:30	No water evident
31/10/2025	11:15	No water evident
21/11/2025	10:30	No water evident
01/12/2025	16:00	No water evident
15/12/2025	15:00	No water evident
27/12/2025	09:45	No water evident
11/1/2026	15:15	No water evident
24/01/2026	11:30	No water evident
6/2/2026	17:00	No water evident
21/02/2026	12:30	No water evident
28/02/2026	09:30	No water evident
18/3/2026	16:30	No water evident
29/3/2026	10:00	No water evident
15/4/2026	12:30	No water evident
26/4/2026	16:45	No water evident
30/4/2026	15:30	No water evident
