Comments Details

Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	We object to the planning application for a substantial balcony above the ground floor extension, with both internal and external access, since a view of our property and grounds will be afforded should the current vegetation die or be removed. In addition, the approval of this application may well set a precedent for future applications from Dexter Drive residents which would also affect our privacy.

Kind regards
