DM/26/0097

**High Street And Compton Road , Lindfield, West Sussex, , , ,
Lime x37 within High Street, Lindfield - Re-pollard to previous points for repeat general
maintenance. Lime x21 within Compton Road, Lindfield - Re-pollard to previous points for repeat
general maintenance.
Mr Marcus Du Preez**

Permission is sought for the works as described.

The trees line both sides of the High Street and Compton Road. They are a historic feature of Lindfield and the Conservation Area, and are pollarded every 5 years or so, partly for highway safety reasons but also to continue the pollarding regime, in the interests of safety and amenity.

The works are considered reasonable and necessary.

Permission is recommended.

Decision: Permission
