Thanks Katherine,

I will draw up what John Whittingham is keen to apply for permission for as an amendment on the current site proposal plan - if you think this is acceptable to add to the current application and advertise I know this to be acceptable with my clients. Conversely, if you could let me know whether you feel this requires a separate application please let me know asap and I'll put that in hand.

We are working to that date - that is acceptable for DM/25/0196. I see the consultation is up on the 4th Nov. so 6th November we look forward to your decision.

Many thanks
Kate

Dear Kate,

Thank you for your email and my apologies for missing your calls.

Due to existing commitments, I am not available at present. Can details of the amendments including plans be provided so that these can be considered fully prior to any discussion.

With regards to application DM/25/0196 please see my attached previous email. An extension of time has been requested 6th November, please let me know if this is acceptable to ensure that the decision is issued as soon as possible.

Kind Regards
