Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	
Comments:	Good morning, I live in the adjacent property to the proposed outline application. I have been in contact with the owner of the land and support this submission unreservedly at this time. The proposed location has good public transport links to nearby East Grinstead, Crawley Town and Gatwick Airport. There is limited detail on the web site at present regarding the development, however, the owner has explained the potential and it would be an enhancement to the location and will provide much needed quality accommodation.

Kind regards
