Comments Details

Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	Inappropriate site for an additional dwelling. It would exacerbate what is already a pinch point for vehicles entering and leaving Turner Court, creating safety concerns if completed, let alone when it is a building site for all those residents living in the close. This is in addition to ruining mature trees and creating over development that benefits no one that lives here.

Kind regards
