Dear Emily,

Thank you for getting in touch.

I can confirm we are happy to continue with the below condition included within the approval.

We will likely use reclaimed tiles to provide the most suitable match.

Best regards,

Sam

Dear Sam

I am in the process of writing my report with respect to the above application for listed building consent, with a recommendation for approval. I am intending to add the following condition to the approval:

'Prior to the commencement of work details of the proposed replacement roof tiles including a photograph and details of manufacturer, range and colour, or for reclaimed tiles the source (e.g. reclamation yard) shall be submitted to and approved in writing by the District Council.'

Reason: To preserve the special character of the building and to accord with Policy DP34 of the Mid Sussex District Plan.'

I would be grateful to receive any comments which you may wish to make on this by Monday lunchtime to allow me to put the report through to be signed off within the current target date (13th May).

Kind regards,

Emily Wade
